Welcome to our Polish-style café where our mission is to provide you fresh, wholesome, delicious foods, the finest coffees and teas, and a nice selection of wines for you to enjoy in a comfortable, romantic setting.

We prepare all of our vegetables, meats, soups, and baked goods daily - from scratch. Each entrée is made to order with special care and a personal touch. As we have just two crepe griddles and everything is served fresh, we appreciate your patience. We craft each crepe delicately so they each taste as wonderful as they look.

We happily use local organic flours from Fairhaven Flour Mill - all breakfast and savory crepes are made with whole wheat flour, while our baked and sweet crepes are made with white flour. Gluten-free crepes made with buckwheat flour are also available upon request.
